

REACH Compliance Declaration

WMC Sinterstar AG, Lotzwil, Switzerland, hereby confirms that, based on our current knowledge, the cemented carbide products manufactured and supplied by us comply with the applicable requirements of **Regulation (EC) No 1907/2006 of the European Parliament and of the Council concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH), as amended from time to time.**

Our cemented carbide products are assessed regarding the REACH requirements applicable to articles. In particular, we take into account:

- the **Candidate List of Substances of Very High Concern (SVHC)** pursuant to Article 59 of REACH
- the communication requirements for articles pursuant to **Article 33 of REACH**;
- any restrictions applicable to our products under **Annex XVII of REACH**;

Based on our current knowledge, the cemented carbide products manufactured and supplied by WMC Sinterstar AG **do not contain substances included in the current REACH Candidate List in concentrations exceeding 0.1% by weight in any article**, unless explicitly stated otherwise in a specific case.

The restrictions under Annex XVII of the REACH Regulation applicable to our products are complied with.

WMC Sinterstar AG monitors relevant changes to the applicable legal requirements and updates to the REACH Candidate List and assesses their potential impact on the products manufactured by us.

This declaration is based on the information available to us regarding the raw materials used, information provided by our suppliers, and our knowledge of the composition and manufacturing processes of our products.
